If the P W D cannot make any use of the land in question the Rev Deptt may possibly let it out on temporary lease of long period to some one or other for Casuarina plantation at the worst recover the assessment or rent on the land There may come a time when the land may be badly wanted either by the Mully or by some other agency when Govt may dictate its own terms The proper Course for the Mully Seems to be to issue a notice to the authority in possession to keep the area clean.

K P PUTTANNA CHETTY, ESQ,
Honorary President, Municipal Council,
Bangalore City

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
~~General~~ & Revenue Departments, Bangalore

SIR,

I have the honor to state that out of 1599 acres of " Water Works Village ", the following areas have been disposed of by Government :-

		Acres.
Block A.	Dangerous Zone in rear of the Rifle Butts handed over to the Military Department.	148.20
Block B.	Rifle Butts.	136.20
Block C.	Encamping Ground of Rifle Butts.	18.30¼
Block D.	Imperial Service Lancers Parade Ground and Transport Lines.	86.00
Block E.	Plantation.	19.11
Block F.	Filter Beds.	24.62
Block H.	Polo Ground attached to the Palace.	20.84
Block J.	Palace compound.	54.22
Block M.	Indian Institute of Science.	371.40
Block N.	Viticulture now belonging to the Palace.	33.47
		912.36¼

2. Under the Government Notification No.11372/ M1.160-12-12, dated the 12th May 1914, the above - - Blocks E.F.G.C.H.J. and N have been included in the Bangalore City limits, and out of the remaining lands excluding all the above Blocks, the following area - belonging to the " Water Works Village ", has also been added to the City limits under the said Notification :-

(Not available. Advice has been asked for another file)

The whole of Survey No.1 excluding the portion to the north of the Gordon Avenue Road, bounded on the north by the Indian Institute of Science, the Gordon Avenue Road and the Rifle Butts Fields, on the south by the Malleswaram Extension, and the boundaries of Rangenathapur, Jakkasandra and Vyalikaval, on the east by the Bellary Road, and on the west by the boundaries of Ketamaranahalli, Yeswanthapur and Vyalikaval - - villages. In this area, the grazing right and the Amarayi, Viz., the produce of the fruit trees and -- soap-nut, are sold annually by the Public Works Department on the ground that it is in charge of the - - Executive Engineer, Bangalore Division, and the -- revenue is credited to that Department. But as it is now in the City Municipal limits, I am of opinion that they should be sold by the Municipality and the revenue brought to its credit under Section 50(2)(c) of the Municipal Regulation. I beg that necessary orders may be kindly issued on the subject.

3. This area is overgrown with Thoppale (white babool) trees and Lantana bushes. On sanitary grounds it is desirable that these thorny trees, as well as any other thorny trees and Lantana and other rank -- vegetation, should be removed altogether, leaving -- fruit bearing trees, accordingly orders are also re-

requested

requested to sell all the thorny trees by public -- auction and credit the proceeds to the Municipality. Steps will be taken to eradicate all the Lantana and other rank vegetation in it in accordance with the Government Circular No.9131-B/Ml., dated the 20th May 1915.

4. The grazing right etc., in the remaining portion of Survey No.1 and Survey No.2 of the " Water Works Village ", which are not in the Municipal limits may be disposed of by the Public Works Department.

I have the honor to be,
Sir,
Your most obedient servant,

Honorary President.
